

Subject: Guidelines for STEAM Conference Report Submission (Credit Marks)

Course: [Your Course Name/Code]

Instructor: [Your Name]

1. Introduction

To encourage participation in the upcoming university **STEAM (Science, Technology, Engineering, Arts, and Mathematics) Conference**, students who attend and submit a reflective report will be awarded with extra **credit marks** toward their final grade in this course.

The purpose of this report is not just to summarize what you saw, but to critically reflect on the experience, connect the conference themes to your studies, and consider the broader implications of the topics presented.

2. General Report Requirements

- **Length:** 800 - 1,000 words. (This is typically 3-4 pages).
- **Format:**
 - **Font:** Times New Roman or Arial, 12-point.
 - **Spacing:** Double-spaced.
 - **Margins:** 1-inch (2.54 cm) on all sides.
 - **Page Numbers:** Include page numbers in the footer.
- **File Naming:** Please name your file in the following format:
[CourseCode]_STEAM_Report_[YourLastName]_[YourFirstName]

3. Report Structure

Your report must be well-organized and include the following sections:

A. Cover Page

- Report Title (e.g., "STEAM Conference 2024 Reflection")
- Your Full Name
- Student ID Number
- Course Name and Code
- Instructor's Name
- Submission Date

B. Introduction (approx. 150 words)

- Briefly introduce the report.
- State which days you attended the conference.
- List the specific sessions, keynotes, or workshops you attended and will be discussing in the report.

C. Session Summaries & Analysis (approx. 400-500 words)

This is the main body of your report. Select **two or three** specific sessions, talks, or workshops that you found most impactful.

For **each** session you attend discuss, provide:

1. **Title & Speaker:** The title of the presentation and the name/affiliation of the speaker.
2. **Key Takeaways:** In 3-4 bullet points, summarize the main arguments, findings, or ideas presented.
3. **Critical Analysis:** What did you find most interesting, innovative, or even controversial about this session? Did you agree with the speaker's conclusions? Why or why not?

D. Conclusion (approx. 100 words)

- Summarize your overall impression of the conference.
- Conclude with your single most important takeaway from the entire event.

E. Appendix: Proof of Attendance

You **must** include proof of your attendance. This can be:

- A clear photograph of your conference badge (with your name visible).

4. Submission

- **Deadline:**
- **Platform:** Submit your report via the [University LMS]
- **File Format:** Please submit your report as a **PDF (.pdf)/ Word (.docx)** file to ensure formatting is preserved.

5. Grading

The **extra credit marks** will be awarded based on a good-faith effort and successful completion of all requirements listed in these guidelines. A report that is thoughtful, well-structured, and clearly demonstrates engagement with the conference content will receive the **extra credit marks**. Failure to include proof of attendance will result in no marks.
